

ACKNOWLEDGEMENT

First of all I would like to say big thanks to Allah SWT for the presence of mercy until I finished this skripsi. Greetings and sholawat may always be devoted to the prophet Muhammad SAW. For the grace of Allah, I finally able to complete this skripsi entitled “The Effectiveness of Reciprocal Teaching Method in Improving Students’ Speaking Skills”. This thesis is a requirement for achieving a Bachelor of English Education Department of Social Faculties and Humanities, University of Nurul Jadid.

Second, My warmest regard for My father Alm. Hasanuddin thank you for always trying to give the best for me and even though you are not by my side thank you for always being present in my dreams. Thanks to My Mother for the endless love, pray, and support, and also to My brothers, thanks for all the hard work so that I can finish my studies, thank you for being a brother and father to me.

Third, Appreciation and thanks to Mam Durratul Hikmah, M.Pd and Mr. Abdullah Al Anis, M.Pd as supervisor which has helped me writing this research. As well thanks to all lectures of English Education Program that have been share the knowledge to me. Thanks to Yayuka And Syidah for being my real friends, and Mila for being partner during our guidance.

I realizes that this skripsi has not been perfect, both in terms of material or presentation. Therefore, I invoke suggestions and criticisms which is build for the sake of perfection and may be useful for all of us. Recently authors hope that this thesis can

provide things that are useful and add insight to the reader, and especially for the writer as well
