## ABSTRACT

Agustini, Dwi Alda.2023.Discourse Analysis on Sustainable Development Goals in Tere Liye's *Si Anak Kuat*. undergraduate program Nurul Jadid University. Advisor (I) Dr. Tirmidi, M.Pd, Advisor (II) Bradhiansyah Tri Suryanto, M. Pd.

Keywords: Discourse Analysis, Novel, Sustainable Development Goals,

Novel is a literary work in narrative form. To understand the story raise in the novel, researcher can analyze it using Discourse Analysis. Before analyzing the discourse contained in the story, for the first make a simple story, a psycholinguistic approach, and a sociolinguistic approach in order to understand the plot and story of the novel. The discourse contained in the novel by Tere Liye *Si Anak Kuat* is Sustainable Development Goals. SDGs are plans created by the United States to create world peace. For the seventeen goals contained in the SDGs, listed in the novel are No poverty, No hunger, Quality education, and Gender Equality.

## ACKNOWLEDGEMENT

Bismillahirrohmanirrohim, alhamdulillah robbil 'alamin all praise be to Allah SWT. That is the most merciful god of all worlds. He has given grace that always helps and accompanies my every step. Sholawat and greetings may always be bestowed upon the Prophet Muhammad SAW. Who has brought us from the realm of ignorance to the realm of science as it is today.

Our gratitude goes to Allah SWT. Cause of his blessings, I was able to complete the preparation of this skripsi that I submitted entitled Discourse Analysis on Sustainable Development Goals in Tere Liye's *Si Anak Kuat*. This skripsi was submitted to fulfill the graduation requirements for the Skripsi course at the Faculty of Social and Humanities, Nurul Jadid University. In the process, it takes extra hardworking, effort, perseverance, and discipline so that this skripsi can be completed properly and on time.

In a hadith it is explained that "If a human being dies, his charity is cut off, except for three things: charity, useful knowledge or a pious child who prays for him" (HR. Muslim). Hopefully all the goodness and knowledge contained in this skripsi can be useful for readers and becomes a field of reward for researcher and those involved in it. In this skripsi, there are many shortcomings and far from perfect. This is due to the limited knowledge that researcher has. Therefore, with all humility, I hope constructive criticism and suggestions for the sake of perfection in this skripsi.

The researcher

Dwi Alda Agustini
