ABSTRACT

Syarifah, Eva Lailatus.2023. *Students' Perceptions of the Use of English Movies on Vocabulary Mastery.* Undergraduate program Nurul Jadid University. Advisor (I) Bradhiansyah Tri S., M.Pd. Advisor (II) Abdullah Al Anis, M.Pd.

Key words: Students' Perception, English Movie, Vocabulary Mastery

This study is aimed to find out students' perceptions towards the use of English movies on students' vocabulary mastery. This study used mix-method that consists of quantitative and qualitative method. This study was conducted at Excellent Program of Natural Science of MA Nurul Jadid, Paiton Probolinggo. The main instruments used in the data collection were questionnaire and interview. After collecting the data, the researcher did an analysis and make a conclusion.

The findings of the study indicate that students have positive perception towards the use of English movies on their vocabulary mastery. Students perceived that movie is recommended learning media that can assist them in the development of vocabulary mastery. Most of students also perceived that English movie can motivate them in learning English. It also can avoid boredom in the learning process. The students' answers show that English movie is an enjoyable media for learning English. Most of students also agree that by watching English movies, they can find a lot of new vocabulary and know how to use them. Therefore, it can help them in improving their vocabulary acquisition in which in the end they will use it in their daily speaking or writing when they are using their English.

ACKNOWLEDGEMENT

First, alhamdulillahirobbilalamin, all praise be upon to Allah SWT, in the compassionate, the merciful and lord of the universe, who always give His blessing and helps in every step of mine. Peace and prayers be upon to His final prophet, Muhammad SAW who always whised his syafa'at in the day where there is nobody could help others.

Second, my grateful thanks to my parents, Zubaidi and Rutbatul Hasanah who support me all this time. You have spent all of your time, material, and energy to support me all the way. You gave me a streak of light when the dark was around me. And also to my only one brother, Ahmad Yanuar Roviki who always care of me when I went home. I am just standing alone on a bridge without you my brother.

Third, thank you very much to my advisors, Mr. Bradhiansyah Tri Suryanto, M.Pd. and Mr. Abdullah Al Anis, M.Pd. who gave me spirit, courage and critic to my *skripsi*. Without you I cannot complete my *skripsi* on time. I am sure, I will do nothing without your monitoring and assessing me in doing my *skripsi*. Moreover, I say thank to the head master of MA Nurul Jadid Paiton Probolinggo, Mr. Misbahul Munir, M.Pd.I., M.S.I. who has allowed me to conduct the research in the school especially the tenth and the eleventh grade of Excellent Program of Natural Science Department.

My gratitude is also to all my English lectures at English Education Department of UNUJA who have given me the benefit of knowledge and

encouragement during my study in this university. And unforgettable to all my comrades in B-class, my lower and upper level of PBI in EDSION who has given me unforgettable moment during I am studying.

Along with the process of finishing this *skripsi*, I would like to express my gratitude to my circle that always supports me in every process I experienced. My family, 'PBI 19-B', 'Bimbingan Proposal-Skripsi Mr. Brady' and 'Rumaisha J.2' group.
