Abstract

Widiasari, Firdausa. 2023. *Student's Grammatical Error Analysis Sources In Instagram Caption As a Popular Culture.* Undergraduate English Education Program, Faculty Of Social And Humanities, Nurul Jadid University. Advisor (I) Durrotul Hikmah M.Pd. Advisor (II) Syaiful Islam M.Pd.

Key word: Error Analysis, Instagram Caption, Sources Error Analysis, Student's Grammars.

This study was aimed to identify the types of grammatical errors in seventh semester-students Instagram with English captions. And to find out the sources behind the seventh-semester students grammatical errors in writing Instagram English captions. Qualitative descriptive is a method in this research. The subjects of this study were the 10 seventh semester students, with 14 post errors in the captions. The instrument in this research was the human body itself. Observation and interviews are the kinds of instruments used in data collected in this study. After that, the data is analysed used 4 steps there are identification, classification, explanation, and evaluation.

From the finding this results, the researcher found that the type of grammatical error made in students Instagram captions are misformation 9 posts with 11 errors, addition with 5 posts with 7 errors. Then, misordering error with 3 posts with 3 errors, and the last error is omission with 2 posts and 2 errors. Furthermore, the sources from 6 students answered that the reason they wrote an error was because they carelessness. Some of them, 4 students answered with the reason for using google translate. In this discussion, the most type of student error is a misformation. Then, the least type from students is omission. Based on the conclusions above, the conclusion is the sources from seventh semester students answered they wrote an error was because they carelessness. Hence, this answered include in intralingual errors. This

suggestion from the results of this study is explained in more detail and complete to be expected as a reference for the next researchers or readers.

ACKNOWLEDGEMENT

Praise be to Allah, the most gracious and the most merciful, who has given me many things such as chance to learn, strength, motivation, and guidance . Therefore, this paper can be finished thoroughly. Peace and blessing be upon to Prophet Muhammad SAW, his families, his relatives, and his followers. Third, I would like to give my special thanks to my beloved parents, ustad. Moch. Arifin S.Pd.I and Juwairiyah S.Ag who always pray for me, give me suggestions, motivation, support my spiritual and material especially for my academic years at Nurul Jadid University. My true love is always for both of them. Next, I would like to thank many people who give supports and suggestion in finishing the study, they are :

1. Durrotul Hikmah, M.Pd., as my first supervisor who gave me motivation, courage and critic for my thesis. I cannot complete my thesis on time without her. I will do nothing without her monitoring and guidance in doing my thesis.
2. Syaiful Islam, M. Pd., as the chief of English Education Department of Nurul jadid University who always remind and encourage us and my second supervisor who has helped and guided me patiently to write this thesis well, all PBI students to finish this thesis.

3. All of my beloved lecturers in English Education Department who have taught me many things, especially about English. So, I can get to this point right now.
4. My beloved sister, Siti Amalia adwaul jannah, Tazkiyah Khoirona Putri, and Ramadhani Sunarti, who has always been there for me until now.
5. The whole family that I love very much, my grandfather and grandmother, and all family that I cannot mention one by one.
6. Special thanks for myself, who have worked hard to complete this thesis. The result of my hard work for 8 semesters. Working hard in college and educating students at school so that my parents are proud of me.
7. All my friends who pray for and support me which I cannot mention one by one.
8. Finally, many thanks for everybody who have helped, motivated, supported, and prayed for me direct or indirectly in writing and finishing this thesis. Thank you for everything, I love you all.

I know, I am just human being. I realize that this thesis is far from the perfectness. Hence, I warmly welcome and appreciate many corrections, suggestions and, critics. Finally I hope this thesis will be useful reference for further researcher.
