ACKNOWLEDGEMENT

All praise is due to the presence of the Lord of the worlds, the most merciful and the most merciful, Allah SWT, for His mercy and compassion, who always gives His grace and help in every step I take in life. Sholawat and greetings may always be poured out to the last lord, the best human being, Prophet Muhammad SAW, who guides us from a path of darkness to a path that is bright.

Then, I would like to express my deepest gratitude to my great parents, Mustar Shofi and Sugilowati, who have always supported me in everything so far. all your time and energy spent supporting me throughout my life. You gave directions when I made a mistake. And also to my only sister, Dwi Nur Azizah who always gives support and encouragement to complete the thesis.

Not to forget, a big thank you to my supervisor, Bradhiansyah Tri Suryanto, M.Pd. and Syaiful Islam M.Pd who have provided direction, encouragement, and also criticism to me in the process of completing my thesis. Without you, I would not be able to complete my thesis properly and on time. In addition, I would like to thank the principal of Mts Negeri 1 Probolinggo, Muhammad As'adi, M.Pd, who has allowed me to do research in the school, especially the ninth grade A.

I would also like to thank all my English lecturers at the English Department of Nurul Jadid University who have taught me knowledge and guided me during my studies at this university. And unforgettable for all my friends from class A, HIMAPRODI PBI, and UKM AWEC who have provided an unforgettable experience while I was studying there. I know, I'm only human. I realize that this thesis is far from perfect. Therefore, I really expect and appreciate

many corrections, suggestions and criticisms. Finally, I hope this thesis can be a useful reference for further research.
