APPENDICES

NO	Character values	Statement In The Novel	Theoretical Reflection	Analyticsl Notes
1.	Cooperation value	<p><i>Aku segera membuat tameng besar, berusaha menyerap sebanyak mungkin serangan. Seli melontarkan petir ke depan. Dua serangan mereka terserap tamengku, satu orang lagi terbanting terkena sambaran petir Seli (Liye, 2014: Page 347 Paragraph 6)</i></p>	<p>Charles H. Cooley, American sociologist, argues that cooperation will arise if individuals realize that they have the same interests and at the same time have sufficient knowledge and awareness of themselves to fulfill these interests. Meanwhile the Ministry of Education and Culture (Kemendikbud), Indonesian states that students must have the ability to work together, namely the ability to carry out activities together voluntarily so that the activities carried out can run smoothly, easily and lightly. Gotong royong itself has three elements: collaboration, caring and sharing.</p>	<p>In the sentence above, it explains that Raib and Seli worked together to defeat the 5 shadow commander who supported Tamus. shadow commander who supports Tamus. In their efforts to defeat their opponents, there is teamwork that can reflect mutual cooperation.</p> <p>This value of cooperation is very important to continue to be applied in life. So it can be concluded that cooperation is the</p>

		<p>This is also related to research Marvin W. Berkowitz (in Samani and Hariyanto, 2016: 17) through his research proves that character education this cooperation value has a positive impact, both on learning, schooling and children's lives in the future future. Character education is important to be implemented in students as early as possible and on an ongoing basis. Character education should be applied at all levels of education, but the should be given at elementary level compared to other levels of level compared to other levels of education. This is because students elementary school students are still not contaminated by characteristics that are not good so it is very possible to be secured by the noble character of our nation. character or noble character of our nation which will eventually stick in the souls of children children until they grow up.</p>	<p>desire to cooperate with other individuals as a whole and be part of a group in achieving common interests. Related to that the value of cooperation must be developed and integrated in the classroom, this is as a form of early training, so that students help each other, so that they can realize that solving problems will be easier and faster if we work together properly and correctly.</p>
--	--	---	--

2.	<p><i>Aku tau itu ide gila,"aku menjawab datar."aku tidak meminta pendapatmu. Aku hanya ingin bilang, malam ini aku akan pergi menyelamatkan Miss Selena. Terserah kalian mau ikut atau tidak."aku ikut!" Seli berkata mantap,memegang lenganku. Aku menatap Seli penuh penghargaan,dia selalu bersamaku. "tapi bagaimana kamu akan kesana?"Ali bertanya."kamu lebih dari tau caranya."aku menatap Ali."bukankah kamu juga diam diam mengambil salah satu kantong milik Av di atas meja depan perapian? Aku akan menggunakan bubuk api untuk melintas menuju perapian di bagian terlarang perpustakaan.</i></p>	<p>The culture of gotong royong is a reflection of the behavior that has characterized the Indonesian nation since ancient times. Indonesia since ancient times. If a study is conducted in all regions of Indonesia, the practice of gotong royong will be found in various terms and forms, both as a value and as a behavior. various terms and forms, both as values and as behavior. For the Indonesian people, gotong royong is not only meaningful as a behavior, as stated earlier, but also acts as moral values. This means that gotong royong has always been a reference for behavior, a way of life for the Indonesian people in its various forms. life of the Indonesian people in its various forms. As is known, every behavior displayed by humans always refers to the moral values that are the reference of his life, his outlook on life. For example: humans always take a shower because it refers to the value of</p>	<p>The sentence above shows that Raib will help Miss Selena and ask his friend. Finally Seli firmly said that she would come with Raib and likewise with Ali. besides having a good nature of cooperation, their friendship can also be said to be solid and good.</p> <p>In accordance with this sentence, cooperation also requires sacrifice. This can also be developed and implemented in the classroom. Like a friend who is able and willing to sacrifice for his own friend. For example, such as helping friends who are having trouble doing assignments and so on.</p>
----	---	--	---

3.	 <p><i>Aku menjawab pertanyaan Seli dengan suara serak, berbisik pelan, "Kita akan menyelamatkan Miss Selena malam ini." (Liye, 2014:326)</i></p>	<p>cleanliness, so when someone says they don't take a shower, it's okay. someone says it's okay not to take a bath, it means that the person concerned does not make the value of cleanliness as his or her view of life. make the value of cleanliness as a view of life. (rochmadi, 2021)</p> <p>This is also in line with the opinion of (subarlam, 2016) With the statement in the novel, planning and goals are also important in the world of education, meaning that when in the classroom we must have careful planning so that the plan can be developed and integrated in the classroom.</p>	<p>The quote above shows that Raib has a heroic nature. The nature of Raib invites his friends to work together to help Miss Selena. Before the others attacked Tamus, Raib and his friends wanted to save Miss Selena, because Miss Selena was captured by Tamus who wanted to rule the world in a way that he could not. Selena, because Miss Selena was captured by Tamus who wanted to rule the world in the wrong</p>

				way and not to be held hostage. wrong way and so as not to be taken hostage.
4.	<p>“aku akan selalu bersamamu,Ra.” <i>Seli tersenyum.”Aku akan membela teman baikku”.</i></p> <p><i>(Page.245)</i></p>	<p>In this case Social support is a form of attention, comfort, appreciation or assistance that individuals receive from other individuals or groups (Sarafino & Smith, 2011). Virtual social support (online) social support is a result of the existence of communication and social interaction through online media. This social support obtained from familiar social relationships such as parents, siblings, teachers, lecturers, community</p>	<p>seeing from their friendship that is so familiar, it can also be used as an example that in a good friendship, enough cooperation is also needed. having good friends and also cooperative can help each other. good cooperation also comes from good friendship too.</p>	

	 The logo of Universitas Nurul Jadidah is a circular emblem. It features a purple lotus flower in the center, with a white stylized 'N' shape forming the center of the petals. The lotus is set against a background of a globe with latitude and longitude lines. The entire emblem is enclosed in a gold-colored circular border. The border contains the text 'UNIVERSITAS NURUL JADIDAH' at the top and 'PAITON PROBOLINGGO' at the bottom, with a small five-pointed star between 'PAITON' and 'PROBOLINGGO'.	<p>environment and peers (Tentama, 2014). Social support of virtual friends virtual friend social support is a form of support that has its own meaning for the recipient in the form of behavioral assistance, information provision, material and emotional assistance that obtained from social interactions of virtual friends social interaction through social media as an intermediary in communicating between one another with others which makes the recipient feel cared for, loved and valued (Rachmawati & Nurhamida, 2018). Peer social support virtually given in the form of emotional support, support appreciation, informative support and instrumental support (Rachmawati & Nurhamida, 2018). This support will create a feeling of comfort, feel cared for, respected, and given assistance or help for the recipient (Sarafino & Smith, 2011).</p>	
--	---	---	--

5.	<p><i>"Apa yang kamu temukan?" aku bertanya, "ini hanya buku PR biasa." Ali menggeleng. Aduh, aku juga tau itu buku PR. Seli disebelahku juga mengeluh. "ada sesuatu yang menarik?" aku mendesak (Liye: page 159)</i></p>	<p>To face global challenges as mentioned above, it is necessary to maintaining the character of today's youth. Character is expected to be in accordance with the basis of our country, namely Pancasila. As mentioned above that Pancasila can be taken the essence of mutual cooperation, then it can be concluded that the youth should be concluded that youth should have a spirit of mutual cooperation. Soekanto (1990, p. 193) that: At In general, the younger generation is considered as individuals who quickly accept elements of elements of foreign culture that enter through the process of acculturation process. In contrast, the older generation is considered as people who are difficult to accept new new elements. This is due to the traditional traditional norms that are ingrained and internalized. ingrained.</p>	<p>From the quote above, it can be concluded that Raib and his friends can work together very well, if we look from Ali's point of view, the main character Raib is very annoyed at Ali because Ali laughed at the value in Raib's homework book. Meanwhile, if seen from Seli's side, Seli is confused about what Miss Selena means. One where we as social beings must have the same cooperation as the novel Bumi when Ali, Raib, Seli work together to defeat Tamus and save their math teacher, Miss Selena or when the three of them discuss how they can use the book of life to move from one place to another.</p>
----	---	---	---

6.	<p><i>Papa memang berada di titik paling penting karier pekerjaannya-setidaknya demikian kalua papa menjelaskan kenapa dia harus pulang larut malam, kenapa dia harus bergegas pagi-pagi sekali."papa harus berhasil melewati fase ini dengan baik,Ra. Sekali papa berhasil memenangkan hati pemilik perusahaan, karier papa akan melesat cepat. Posisi lebih baik, gaji lebih tinggi. Keluarga kita harus kompak mendukung, termasuk kamu. Toh pada akhirnya kamu juga yang akan diuntungkan. Mau liburan kemana? Mau beli apa? Semua beres."(Liye,13)</i></p>	<p>This is also in line with Hanson's opinion in Ridwan Setiawan's book entitled "Theory and Practice of Family Nursing" (2016), explaining that family is defined as two or more individuals who are interdependent on one another for various supports, such as emotional and economic support. Families are also people who have official relationships, such as blood ties, adoption, marriage or guardianship, social relationships (living together), and psychological relationships (emotional ties).</p>	<p>In this sentence, Raib's father is at the most important point of his work career. His father also explained to Raib why he also had to rush to school early in the morning. His father explained that this was also for the sake of Raib's future if his father had succeeded in getting promoted, whatever his family wanted, including Raib, would be even more difficult to achieve. It is very important that communication between families is carried out so as not to misunderstand each other. Explain the reasons correctly and honestly. Cooperation within the family itself is also very much needed for the</p>
----	---	---	--

				continuity of Raib's father's work. Likewise, when in the class support team is also one of the important things because with it their goals can be achieved through a good cooperation process.
7.		<p><i>Seli menunggu di lapangan. Kami selalu pulang bareng. Dia bertanya kenapa aku lama sekali keluar dari dalam kelas. (Liye, 2014:122).</i></p>	<p>This also agrees with (putri, 2022) the fact that character education is education that instills and develops noble character traits in students, so that they have noble character traits, apply them, and develop them. noble characters to students, so that they have noble character, apply, and practice in life, both in family, community members and citizens4. practice in life, both in the family, community members and citizens4. Character education is not just equipping students with knowledge of character, but also instilling that character in students. also instills that character in students so that</p>	<p>Seli always waits for Raib to come home from school and take the angkot together. together. She will not leave her friend to go home first and is willing to wait for a long time to go home with her friend. willing to wait for a long time to go home together with his friend. This shows that they both have a high sense of togetherness, feel the same fate and togetherness in accordance with the criteria of loyalty.</p>

			<p>students become an integral part of their personality.⁵ The need to study character education for students, especially elementary school students, so that it is always carried out in especially elementary school so that it is always carried out in the school environment as well as the family and community environment. family and community environment. One of the characters that must be formed by the teacher in learning is the character of cooperation. Cooperation in learning is the behavior of cooperation between individuals in a group who carry out tasks, exchange information with each other. group that carries out tasks, exchanges information and knowledge.</p>	<p>With a high sense of togetherness, this also requires good cooperation between the two.</p>
8.		<p><i>kamu perhatikan kalimatku,Ra."Miss Selena menarik lebih dekat, suaranya terdengar tegas."aku akan membuka lubang hitam agar kalian bisa melarikan diri ke tempat yang tidak bisa didatangi Tamus dan</i></p>	<p>In the world of education, cooperation skills are important that must be implemented in learning. Cooperation can accelerate learning objectives, because basically a learning community is always better than a few</p>	<p>Ali told Raib that he would open the black hole and tell his friends to run and avoid Tamus. Ali will hold the tamus so that his friends can escape first from the</p>

	 <p><i>pasukannya. Kalian bertiga secepat mungkin melintasi lubang itu. Sementara kalian lari, aku akan menahan Tamus sekuat mungkin. Dia tidak akan suka melihat kalian pergi.”</i></p>	<p>individuals learning alone (Hamid, 2011). Better results than several individuals who study alone (Hamid, 2011: 66). According to Thomas and Johnson (2014: 164) cooperation is a grouping that occurs among the living things we know. Grouping that occurs among the living things we know. The classroom is an excellent place to build group skills. group skills. Cooperation can eliminate mental barriers due to limited experience and narrow perspectives. Thus, it is more likely to discover strengths and weaknesses, learn to respect others, listen with an open mind, and build cooperative agreements. with an open mind, and build cooperative agreements. By working together, small groups will be able to overcome various forms of obstacles, act independently and with a sense of responsibility, relying on the talents or thoughts of each group member, trusting others, and building</p>	<p>tamus.</p> <p>The sacrifice made by Ali is something we can learn from this novel. Their emotional cooperation is very strong. Sacrifice each other to their friends. If this context can be applied in the classroom, there will be many positive things that can be learned. Surely the cooperation will be strong and good from when they were young.</p>
--	--	--	---

			<p>cooperative agreements. or thoughts of each group member, trust others, express opinions and make decisions. opinions and make decisions. Based on some of the opinions above, it can be concluded that learner cooperation can be interpreted as an interaction or interaction between students. that student cooperation can be interpreted as an interaction or relationship between students and students and relationship between students and students and students and teachers to achieve learning goals. to achieve learning goals. Relationships of mutual respect, mutual care, help each other, and provide mutual encouragement will help the implementation of learning objectives is achieved. These learning objectives include changes in behavior, additional understanding, and absorption of knowledge.</p>	
9.	Leadership	<i>Ali berseru ketus. "Aku tidak akan membiarkan satu pun dari kita</i>	Martha Goni revealed that: "The problem is that character education is	From the sentence excerpt above, it shows that

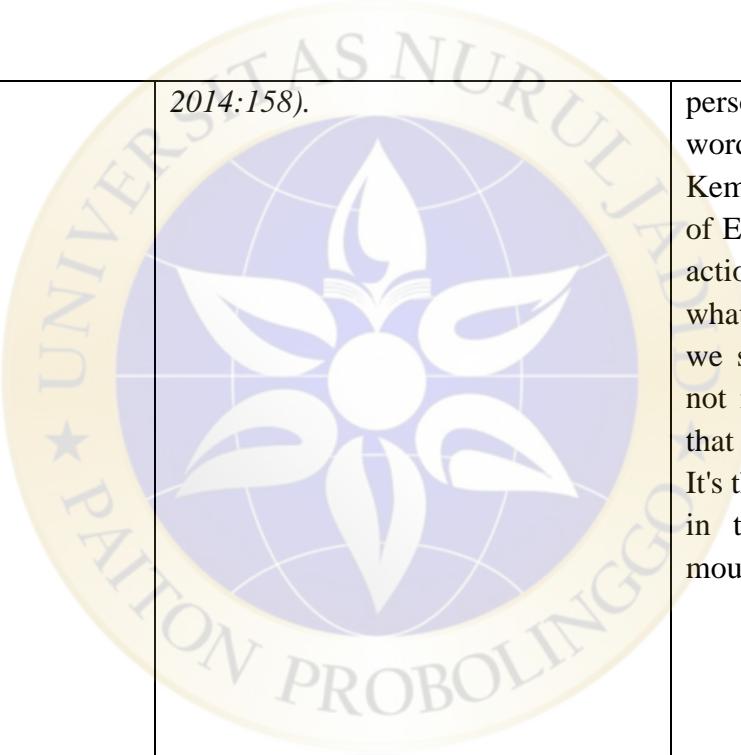

value	<p><i>sendirian di dunia ini.</i></p> <p><i>Tapi aku bertanggung jawab memikirkan apakah tindakan kita masuk akal atau tidak.</i></p> <p><i>Itulah kenapa aku banyak bertanya. Karena kalian berdua terlalu sibuk dengan kekuatan itu. Kalian tidak sempat memikirkan hal lain. Bahkan membawa buku dan peralatan pun tidak kalian pikirkan.” (Liye, 2014:328)</i></p>	<p>not enough just to be "taught" in theory, but needs to be supported by examples or role models from the teachers themselves. or example from the teacher himself. In this context, policy makers (leaders) must first provide an example, so as to regain the public's trust in their leaders.</p> <p>Meanwhile, according to Purwanto "leadership as a form of persuasion, an art of coaching certain groups of people, usually through 'hu- coaching certain groups of people, usually through 'hu- man relations' and the right motivation, so that without any fear they want to cooperate and they want to work together and slam the bones to understand and achieve all what are the goals of the organization".</p> <p>This is also related to Ordway Tead in (Wursanto, 2012) provides the formulation "Leadership is the activity of influencing people to cooperate</p>	<p>although Ali was previously a nosy student, he has leadership traits such as being wise, being able to think of strategies nosy, but he has leadership traits such as being wise, being able to think of strategies well. well. Therefore, Raib and Seli need direction to use their strength appropriately and efficiently. efficiently. Not just attacking and Ali always thinks 2 steps ahead.</p> <p>Leadership values is A value that shapes a person's character and a leader can influence someone to achieve a goal. leader can influence someone to achieve a goal. The value of leadership aims to be</p>
-------	--	---	--

			<p>some good which they come to find desirable". Leadership is an activity of influencing others to work together to achieve certain desired goals. desired.</p>	<p>able to direct others in order to achieve common goals. It shows that even though Ali was previously a nosy student, he has leadership traits such as being wise, being able to think of strategies to achieve goals. Nosy, but he has leadership traits such as being thoughtful, being able to think of strategies well. Therefore, Raib and Seli need direction to use their powers appropriately and efficiently. Not just attacking and Ali always thinks 2 steps ahead.</p>
10	Courageous value	<p><i>Kucing liar itu menatap kami dengan mata tajam, menggeram kencang, memperlihatkan taring dan cakarnya. "Pergi!" aku berseru lantang. Kucing itu</i></p>	<p>Character education is very important taught to students, this is also the same as research conducted by Ningsih (2017). Charater education is the process of providing guidance to students to become a whole human</p>	<p>The value of courage is a value that is brave and never afraid and has a strong heart and confidence in upholding truth and justice. This</p>

		<p><i>bergeming. Bulunya berdiri tanda siap menyerang. (Liye, 2014:228)</i></p>	<p>being with character in the dimensions of heart, mind, body, feeling and spirit. One of the abilities that expected to develop in children is positive behavior that is instilled from an early age one of which is the courage to do everything related to in the learning process, such as daring to try something, dare to appear in front of the class and dare to speak in front of the class, as well as the courage to make decisions and accept the consequences of these choices.</p>	<p>courage needs to be trained and formed in humans. the courage in question is courage in positive things only so that it can be one of the values of character education that must be possessed.</p>
		<p><i>“jangan memukul temanku”</i></p>		<p>explains that Seli also suddenly fought Tamus with her loud voice. that Seli also suddenly fought Tamus with her loud voice. Seli firmly fought her fear to defend her friend "Raib" who was about to be hit by Tamus. In her little heart Seli also felt fear, but for the sake of defending her</p>

				friend Seli ventured to defend Tamus. defending her friend Seli dared to fight Tamus.
11.	Honesty value	<p><i>"Ya sudah, sekalian bayar mamang bakso. Kemarin saya beli 2 mangkuk. Tolong dibayarkan ,ya. Sama es jeruknya juga." (Page 60, paragraph 5)</i></p>	<p>Seeing the importance of character building in students, therefore it is necessary to organize education based on the cultivation, formation, and development of character values (Ramdhani, 2017). In every subject, it is necessary to internalized the value of honesty. Thus, it can be understood that the orientation of education no longer only prioritize cognitive aspects, but also prioritize affective/attitude aspects (Sahlan, 2012). (Sahlan, 2012). Character education has the same essence and meaning as the same as moral education and moral education (Bakri, 2016). Education basically also means educating the nation's life. From statement, there are three main elements of education, namely a) intelligent, means having knowledge</p>	<p>Seli shows an attitude of honesty when shopping for snacks in the school canteen. school canteen. This can be seen in the sentence "Yes already, at the same time for pay Mamang for the meatballs. Yesterday I bought two bowls." The sentence pelted Seli with meatballs that she was eating. But Raib's throwing target missed and hit the cheerleader gang. They then ran away, forgetting to pay for the meatballs at the canteen. The next day when cafeteria, Seli then honestly pays for the</p>

			<p>that is used to solve problems. there is used to solve real problems. real problems. Smart means creative, innovative and ready to apply their knowledge; b) life, has a philosophy to appreciate life and do things that are worthwhile. to appreciate life and do the best things that are best for life itself (Julia & Ati, 2019). related to that Honesty is a noble behavior that must be upheld. Every human being must have an honest nature so that his life is peaceful. Honesty behavior is very important to be done by everyone so that there is no feelings of hatred between each other.</p>	<p>meatballs she yesterday she ate with Raib. Honesty is all the actions that we do in accordance with what we say to others, not in the way we say it to others. we say to others, not made up. Many people say things that are not in accordance with reality. It's the same thing as the saying another in the mouth another in the heart. mouth is different in the heart.</p>
12.		<p><i>Aku kembali menoleh kepadanya. "Sori, Ra. Aku memang meletakkan alat di rumahmu. Aku dapat melihatmu menghilangkan novel dan kursi di kamar tadi malam."</i> (Liye,</p>	<p>In this case is also reinforced by Agustian (2009: 32) states that honesty comes from Latin <i>honus</i> which means honor, purity, and reputation. Honest is described as an action that is based on an effort to make himself as a person who can always be trusted in his words, actions, and reputation. himself as a</p>	<p>Explains that Ali showed his courageous attitude to tell the truth by admitting the mistake he had made against Raib, his classmate, that he had put things in Raib's house to find out what Raib could do with</p>

NOTA PEMBIMBING
Hal: Persetujuan Ujian Skripsi

Kepada:
Yth. Bapak Dekan Fakultas Sosial dan Humaniora
Universitas Nurul Jadid Paiton Probolinggo

Assalamu'alaikum Warahmatullahi Wabarakatuhu

Setelah secara cermat kami baca, dan koreksi kembali serta setelah diadakan perbaikan/penyempurnaan seperlunya, maka kami berpendapat bahwa skripsi mahasiswa:

Nama : Diana Inayatul Fatwa
NIM : 1942300034
Prodi : Pendidikan Bahasa Inggris
Judul skripsi : Discourse Analysis of Cooperation Value portrayed in Tere Liye's Bumi
Telah memenuhi syarat untuk diajukan dalam Ujian Skripsi Fakultas Sosial dan Humaniora Universitas Nurul Jadid Paiton Probolinggo.

Atas perhatian dan kerjasamanya, kami sampaikan terima kasih.
