R : Assalamualaikum Wr. W

S1 : Waalaikumsalam Wr.Wb

R : Mmm... okay as I know in UI has watching English movie activity that has started since UI still called *MBI (Madrrasah Berbasis Internasional)*. Here, I am interested in exploring your perceptions and experiences regarding the use of English movie for vocabulary mastery. Before that, you can introduce yourself.

S1 : My name is Qonitatul Kamila from Pasuruan, I am a student of XI Grade of Excellent Program, or as we usually call UI (*Unggulan IPA*) of MA Nurul Jadid.

R : Okay, that is enough. Now is about experience. Do you have any unique experience during watching English movie class?

S1 : Mmm.. From my experience, I ever scream together with my one class friends when the ghost's face showed on the screen. I like that moment if we watch together. There was my friend who closed her eyes by her hand, because not all students brave when they watch movie in horror genre.

R : That moment is like in cinema, isn't it? Okay go on to the main question. How do you feel about using English movies to learn new vocabulary? Do you think watching English movies has made vocabulary learning more enjoyable for you? Why or why not?

S1 : Yes, that is true. By, watching English movies I can increase my vocabulary that I have never learned or heard before.

R : Can you share any specific words or phrases you have learned from watching English movies?

S1 : Some of the vocabulary that I have just heard based on the movie in title "Jumper", such as; natty (rapi), immortal (abadi), cease (berhenti), sparkle (berkilau), daydream (melamun), and others.

R : In your opinion, what are the benefits of using English movies for vocabulary learning

S1 : I found a lot of benefits in watching English Movies. Among them, I can be more confident in speaking English because I have more vocabulary that I just know in English Movies. In addition, by having a wide vocabulary, it can make me more braver to teach new things to my friends.

R : How do you perceive the relationship between watching English movies and your overall language proficiency, specifically in terms of vocabulary mastery? Do you believe it has had a positive impact on your language skills beyond just vocabulary acquisition?

S1 : True, this has had a very positive impact on me. It makes me easier for expressing vocabulary that I never express due to not knowing some vocabulary in English.

R : Are there any specific genres or types of English movies that you find more helpful for learning vocabulary? Why do you think they are more effective for you?

S1 : Action. In this genre, some of the shouting is not just what I understand, but there are some new vocabulary in greeting, fighting, and even having a normal conversation.

R : The last question. Based on your experience, would you recommend the use of English movies as a tool for vocabulary learning to other students? Why or why not?

S1 : Yes, I recommend watching English movies to other students in other that they can learn and master new English vocabulary more easily. I also have a quote of the day, miss. "The more we watched English movies, the more we got influence by the English movies".

R : Mmm.. Okay, that's enough. Thank you for your time and participation in this research!

S1 : Anytime, miss!
