ABSTRACT

Syafiyah, Hilyatus. 2023. *English Teachers Strategies in Teaching Speaking Skill at MTS NURUL JADID. Undergraduate program Nurul Jadid University.*
Advisor (I) Mohammad Sofyan AP., M.Li. Advisor (II) Mochlis Ekowijayanto, M.Pd.

Keywords: English teacher's strategies, speaking skills.

In speaking English, students tend to have problems with limited vocabulary, pronunciation accuracy, confidence, and others. This happens due to many factors, one of which is the teacher's strategies. Teachers' strategies is very influential on students' speaking ability. The teacher's strategies will help students' speaking mastery. From this statement, the researcher analysed the strategies used by English teachers in teaching speaking at MTS Nurul Jadid. The objectives of this study are (1) To find out the teacher's strategies in teaching speaking to MTS Nurul Jadid students, (2) To find out how to implement the strategies to teach and speak to MTS Nurul Jadid students.

The design of this research is descriptive qualitative research. The subjects of this study were English teachers who taught in the ninth grade of MTS Nurul Jadid. The data from this study were collected through questionnaires and supported by interviews. Then, to demonstrate the trustworthiness of the data, this study used methodological triangulation.

The results of this study show that English teachers implement various plans, methods, approaches or series of activities designed to achieve educational or teaching objectives, identify and determine the specifications and qualifications of expected changes in the behaviour and personality of students, choose a learning approach system, select and determine procedures, methods, and learning techniques, and establish norms and minimum limits of success or criteria and standards of success.
