## ABSTRACT

Ananda, Nurul Faizah Tri. 2023. The Discourse Analysis Of Indonesian Woman's Role at The Beginning of The Era of Indonesian Independence Portrayed In Tere Liye's Novel "*Si Anak Cahaya*". English Education Departmen, Undergraduate Program Nurul Jadid University. Advisor (I) Dr. Tirmidi, M.Pd, Advisor (II) Bradhiansyah Tri Suryanto, M.Pd.

**Key words:** Discourse Analysis, Novel, Women Role

Teaching English Using literature, in this case is novels, proves to be effective on teaching student's motivation in learning English (*How do I prove it, there is in (Mitsigkas, 2015) page 105*). To understand the content of novels and to criticize them as well, a competence to conduct discourse analysis is needed. This study aims to describe the discourse presented in Tere Liye's *The Child of Light* (Si Anak Cahaya) based on psycholinguistic and sociolinguistic approach.

The study shows that through the story, the discourse of the women's role in the early days of Indonesian independence, are: the women's role as an obedient child, a clever and proud student, a friend who can always be relied upon, and a member of society who makes a big contributions to other communitie. In short, women have a big role both in domestic and social public environment.
