ABSTRACT

Rafika. 2023. *Students' Perception on English learning habit by using Youtube (A Descriptive Analysis Research at English Education Department students of Nurul Jadid University).* Undergraduate the thesis of English Education Program the Faculty of Social and Humanity, Nurul Jadid University. Advisor (I) Mochlis Ekowijayanto, M. Pd, Advisor (II) Durratul Hikmah, M. Pd.

Keywords: Learning Habit, Youtube, Students' Perception.

This study aimed to find out; students' perception on English learning habit by using Youtube. The data were conducted on Mei 2023 from 6 students of 6st semester of English Education Department at Nurul Jadid University. This study used a descriptive analysis research: based on case study approach and the instruments were observation and interview. The observation used to observe the use of Youtube on English learning habit for students outside the classroom and the interview was used to get their opinions on English learning habit by using Youtube. The last, the researcher did analyze and make a conclusion.

The findings of this research showed that positive perceptions from students within using Youtube as English learning habit, they can develop their ideas, get additional knowledge, increase their ability in listening, speaking, students also can repeat video about the learning material that they looked for, and chose, and English learning is more interesting by using Youtube. Therefore, it can be concluded the use of Youtube has numerous positive impacts on EFL learners. Youtube can help them in improving their English skills. And also, it can use for learning habit in English better.

ACKNOWLEDGEMENT

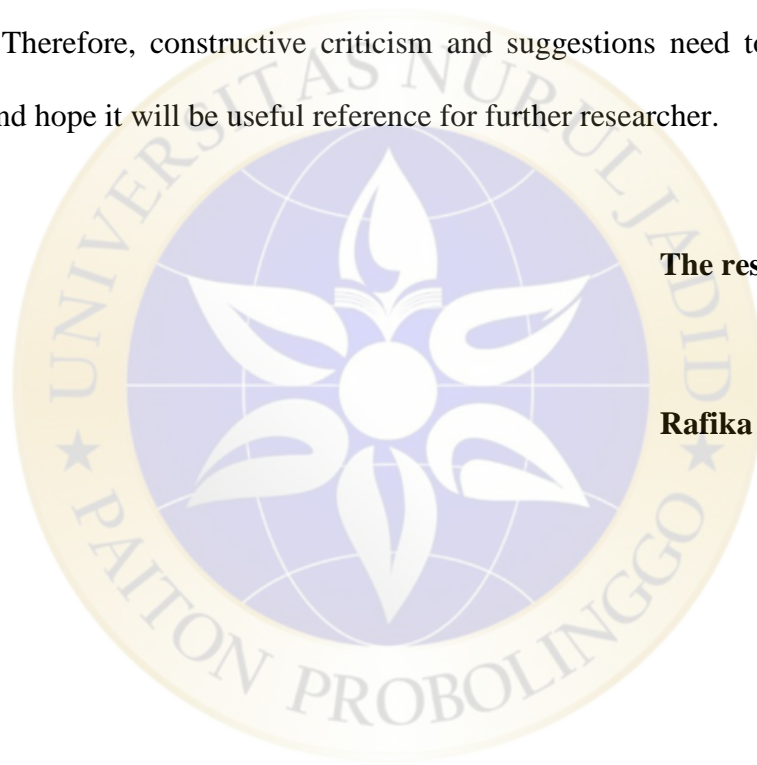

In the name of Allah, the most gracious and the most merciful. All praises belong to Allah the Almighty; the lord of Universe, for all blesses, researcher had completed her academic requirements. Then the researcher says peace be upon him to the Prophet Muhammad SAW, may peace and shalawat salam be given to him.

Secondly, for my beloved family, my mom Mrs. Nur Fajari and my father Mr. Erizal, who always gave me uncountable love, care, advice, and supports. Grateful thank you for your praying all the times for both material and spiritual to accomplish this thesis. And also to the only one sister, Zahrani who has always been a friend in play, learn and fight and always give your best prayers. Nothing the word can describe how much I love this family.

This thesis was written and intended to fulfill one of the requirements for getting an Undergraduate degree from the English Education Department of Faculty Social and Humanity of Nurul Jadid University. The researcher would like to show her gratitude to all beloved people that have encouraged, motivated even helped the researcher in finishing the paper. To Mr. Mochlis Ekowijayanto, M. Pd. and Mam Durratul Hikmah, M. Pd. as my advisors, and unforgettable Mr. Moh. Sofyan Adi Pranata, M. Li. and Mr. Bradhiansyah Tri Suryanto, M. Pd. And Mr. Abdullah Al Anis who have given correction, suggestion, support, advice, and guidance in completing this thesis. All my English lecturers at English Education Department of Nurul Jadid University who have given me the benefits of knowledge and encouragement during my study in this university.

Unforgettable to all my comrades in As-Shofwah dormitory as my second home here, and PBI B Class who has given me unforgettable moment during studying here. And I do not forget to say thank you for all my sisters from another parents who always supporting me and always been already when I needed that I cannot mention one by one.

In the end, researcher just human being. Without praying and supporting by you, it is nothing. The researcher realized that this thesis is still far from being perfect. Therefore, constructive criticism and suggestions need to improve this thesis, and hope it will be useful reference for further researcher.

The researcher

Rafika
