## ABSTRACT

**Ningsih, Yeni Sintiawati. 2024.** *An Analysis of Students Speaking Anxiety in Proposal Seminar Sessions: Case Study of English Language Learners. Undergraduate Program Nurul Jadid University. Advisor: Syaiful Islam, M.Pd.*

**Keyword:** *Speaking, Anxiety, Seminar Proposal*

This study aimed to determine the factors that caused students' speaking anxiety when attending proposal seminars and to find out the factors and dominant factors of speaking anxiety in seventh semester students majoring in English education at Nurul Jadid University. This research used a qualitative method with a case study approach. This research was conducted on five seventh semester students majoring in English education batch of 2020 as respondents. The data collection techniques in this study were observation and interviews. The results obtained from this study from the observation and interview was to know the factors of student speaking anxiety during proposal seminars and the dominant factors of students speaking anxiety during proposal seminars. Based on the results of the study, the five students were more dominant in Lack of Vocabulary with a total of two participants and lack of Pronunciation with a total of five participants. And also based on observation and interview students also said that should prepare the preparation to attended the seminar proposal sessions.
